Test 1

My Town: Rabat

Hello! My name is Youssef, and I live in Rabat. Rabat is the capital city of Morocco. It is a beautiful and modern city located on the Atlantic coast. Many people visit Rabat because it is clean, peaceful, and full of interesting places.

In Rabat, there are many schools, parks, shops, and museums. One of the most famous places is Hassan Tower. Another popular place is Kasbah of the Udayas, where visitors can enjoy wonderful views of the ocean.

People in Rabat are friendly and welcoming. They enjoy spending time with their families, walking in the parks, and visiting the beach. The city also has good roads and public transport.

I love Rabat because it is safe, beautiful, and full of life. I am proud to live in this wonderful town.

Test 2

Playing Football

Playing football is one of my favourite hobbies. I play football with my friends every Saturday at the sports field near our school. Before the match starts, we warm up by running and stretching. Then, we practise passing, dribbling, and shooting. Football is an exciting sport because it requires skill, speed, and teamwork. It helps us stay fit and healthy, and it teaches

us how to work together. Sometimes we win, and sometimes we lose, but we always enjoy the game. After playing, we feel happy and proud of our efforts.

Test 3

Traffic Jam in Casablanca

Every morning, many people travel to work and school in Casablanca. The streets become very busy with cars, buses, taxis, and motorbikes. This causes traffic jams, especially during rush hour. People often spend a long time waiting on the roads.

Traffic jams can make people late for school or work. They also create air pollution and noise. To help solve this problem, many people use the tram, buses, or bicycles. Walking is also a good choice for short distances. If more people use public transport, the roads will be less crowded.

1_ Read and choose the correct answer. (3 pts)

_ Casablanca streets are very busy:

- a) at night
- b) every morning
- c) on Sundays only

_ Traffic jams create:
